

let the butler do the work

Perry's Beach Butler- Let the Butler do the Work!

Enjoy Santa Monica's world-famous beach like a star. Perry's recently added a Beach Butler amenity at three of its Santa Monica locations to let you spend even more time lounging on the sand. Our butlers will set up your beach chair, towel, and umbrella at a designated time and location, deliver tanning products, chilled beverages, and even food so that you will never have to leave your towel. When you are ready to leave, we do the clean up, so you don't have to.

Extra chairs and a full array of rentals ranging from sand toys and surfboards to beach cruisers and baby joggers are available for an additional charge.

Book your Beach Butler service through your tour operator, hotel, or by contacting Perry's directly 310.939.0000. www.perryscafe.com

See you at the beach!
